Sub: Submission of various agendas on HR issues of the JTO Trainees who have qualified the Special LICE.

Sir,

Recently, the AIGETOA CTD circle team have visited NSCBTTC Kalyani for an interactive session with the Special LICE JTO trainees. Following issues were submitted by the trainees to the team.

1. JTOs of this special LICE are being posted on pan-India basis. Immediately after completion of their phase-I training, they are being instructed to join their concerned circle on the next working day. As some of the trainees need to travel to the other part of the country, it's very difficult to join there within the prescribed time period.
It is requested to extend these trainees a transit leave with transit allowances.
2. Generally, LICE JTOs can apply for Rule-8 transfer after 2 years of their joining (5 years criteria is counted alongwith JE service period).
But, these special LICE JTOs, who are being posted to other circles, there counting to apply Rule-8 starts from the DoA as JTO.
Kindly take n/a to reduce this waiting period to two years to make the process uniform for all.
3. Mutual transfer cases associated with the surplus circles cannot be denied on the pretext of excess executives.

AIGETOA CTD team requesting your urgent intervention in this matter and to take all these issues with the appropriate authority at BSNL CO for early resolution, please.

Implementation and resolution of these issues will boost the morale of these young and energetic executives.
