Sub: Request to repair the quarter complexes on urgent basis – regarding

Respected Sir,

Your kind attention is earnestly sought on the subject mentioned above. This association is in receipt from different sources that, the quarters of **Baishnabghata Patuli** and **Ultadanga** are in such conditions that, residents of the quarters are **fearing of severe accidents at any time due to the extremely bad conditions of those quarters.**

It was informed that, those quarter complexes are not maintained properly. Walls are broken, staircases are broken, concrete slabs from roofs continuously falling, skeleton of the buildings are coming out and many more.

It was also informed, when the residents are going to complaints on these issues, concerned sections are simply bypassing their responsibilities and sometime asking them to vacate the quarters. **THIS IS TOTALLY UNDESIRABLE AND UNACCEPTABLE.**

Kolkata is a metropolitan city, many lower income group employees prefer to stay in quarters due to the higher rent outside.

Out of three quarter complexes in Baishnabghata Patuli, it is learnt that, two complexes will be monetize. It must be the responsibility of BSNL, to maintain the remaining quarter complexes properly with good inhabitable condition.

We hope, our worthy management will look into this matter on **URGENT BASIS**, please.
