Sub: **Seeking urgent intervention on the suspicious website with domain name <https://bsnltower.com/> – reg.**

Respected Sir,

We are in receipt that the above mentioned website was hosted recently and claiming huge amounts for tower installation and related jobs (screenshot attached). This website is using old BSNL logo and other features to look the website as a genuine one.

After searching, we found that, the IP location is in Sao Paulo, Brazil and with some contact details as: KB-26, Sector-3, Bidhan Nagar; Mobile No. +91-8969226093; Email: [mr.shivadas17@gmail.com](mailto:mr.shivadas17@gmail.com) (document attached).

It seems that the website may be fraudulent in nature with intent to collect money unethically using the name of BSNL.

In this scenario, kindly intervene at your earliest to look into the matter to prevent any loss of BSNL's image.

Thanking with,

yours sincerely
