Respected Sir,

1. Provision of cold filtered water for every major office premises is very much required. It has been observed that, in some offices, even the facility of filtered drinking water is not available. Kindly look into this matter for early resolution, please.
2. Considering the present weather condition of Kolkata, our kind submission to you sir, kindly extend your kind permission to reconnect those already installed ACs, as a temporary measure, in different offices which were disconnected earlier. This will be helpful for some employees of KTD during this time of need.
